A native of Cottage Grove, WI, Vetter may well be the most dominant female goalie to ever play the game. Her college career includes three NCAA Championships, an NCAA record 14 shutouts and a career 91-13-7 record. Vetter joined Team USA in the fall of '09 in time to lead the team to international victories in both the Four Nations Cup and the World Championships – a first ever combo for the US Team. She went on to backbone Team USA to a silver medal finish at the 2010 Olympics.
